

Youth Newsletter

August 2015

With the month of August comes the end of summer vacation. The youth group has a busy month ahead before school starts again. We will have plenty of exciting news to share when asked that same old question on the first day. What did you do this summer?

Navajo Mission Trip

Nine people took the trip to New Mexico to put on a VBS for the Navajo Ministries. Our week was filled with teaching some awesome kids about Jesus, a work project (painting and landscaping), and the beautiful scenery. There are pictures and videos up on The Shelter facebook page if you wish to check them out

(www.facebook.com/groups/BYGShelter).

We were truly blessed to work with such adorable amazing children who touched our hearts. We will truly miss them and pray they continue to seek Jesus.

Girls Camping Trip

One other upcoming event is our first high school girls only camping trip. Mel Bailey and Bailey Pearce are taking a group of girls to Mondeaux Flowage for a weekend camping trip in August 14-17. We hope this will be a great opportunity to get away for a weekend and have some quality Jesus time.

VBS

Our VBS this year is the 21st to the 23rd. Our theme is outback rock. We hope to see many shining faces this year. Many of the youth group are volunteering to help put on the program. This is a great chance for the youth to become more involved in the church. Anybody willing to volunteer should contact Pat.

If you would like to recognize any youth achievements in the next newsletter contact Mel Bailey by September 5. 715-323-7275 or melbailey08@yahoo.com
