

Youth Newsletter

July 2015

July is finally here. This is a pretty busy month for the youth group. A couple of events have been planned for this month. Prayers for safe travels will be much appreciated. We hope that everyone stays safe and cool!

LIFEST 2015

Another great year a Lifest! This past weekend the youth group took the highly anticipated trip to Oshkosh. There were so many good bands again this year. Everyone had a great time and we all returned back safe. The same couldn't be said about our chairs. Every year something breaks and this year it was 8 chairs. Despite this setback we all had a great time.

Navajo Mission Trip

A small group is headed to New Mexico on July 23 for a mission trip and return back August 4. We will be spending our time doing a VBS and a work project. Those going on the trip are Pat Resheske, Mel Bailey, Mikie Werderitz, Erin Lobner, Jessica Gates, Ashley David, Crystal Hamilton, Nathanael Heil, Megan Rasmussen, and Natasha Pongratz. We ask that you pray for our group to have safe travels and that God leads us in His will while we are there.

Proud to Serve

Keaton Kotek, who will be a senior this next year, recently joined the military. We are sending prayers his way as he is currently at basic training. Another member and recent graduate Hannah Jacobson also joined the Marines. We pray that God is with them during their time of service.

Girls Camping Trip

One other upcoming event is our first high school girls only camping trip. Mel Bailey and Bailey Pearce are taking a group of girls to Mondeaux Flowage for a weekend camping trip in August 14-17. If there are any high school girls who would like to attend have have not already expressed interest please let Mel or Bailey know. We are asking everyone who is able to chip in \$10-\$15 for food and the campsite.

If you would like to recognize any youth achievements in the August newsletter contact Mel Bailey by August 5.
