

Youth Newsletter

June 2015

Summer is almost here! And with it brings the start of a monthly youth newsletter. This intent of this newsletter is to inform the rest of the church about the fun and exciting things our youth are doing. It is our hope that we will not only keep everyone informed about our events, but also recognize the achievements of our younger church members and members of our youth group. If you have any special requests for events or achievements to be included in our newsletter, please inform Mel Bailey (715-323-7275) before the first Wednesday of the month.

Graduation

The class of 2015 took that walk across the stage this June as they said good bye to High School and started the next chapter of their lives. A few of the members of the youth were among them. Congratuations to Hannah Jacobson, Clay Leiber, and Andrew Hofmeister. We wish you good luck!

LIFEST 2015

There is a sign-up sheet outside Pats office for those interested in going to Lifest this summer. Lifest is July 9-12 in Oshkosh. This is a great experience for those of any age to listen to a wide variety of Christian music, comedians and great speakers. Some of those featured this year at Lifest include: Newsboys, Matthew West, Chris Tomlin, Skillet, Francesca Battistelli, Red, and Louie Giglio. \$100 gets you transportation, camping, and food while we are at lifest. A little extra cash is needed to eat on the way there and back as well as any concession or souvenirs you would like to purchase.

Upcoming Events

Many people have their summers full of fun things. The same can be said for the youth group. Next months events include Lifest and the Navijo Missions trip. August also brings us events such as a high school girls only camping trip and VBS.

Have a safe and enjoyable summer!
